"It really works!" LIQUID FENCE

KEEP OUT OF REACH OF CHILDREN
CAUTIONARY INFORMATION:
This product may be harmful if swallowed. Avoid contact with eyes. If contact with eyes occurs, immediately flush with plenty of water. Seek medical attention if either occurs.
STORAGE AND DISPOSAL:
Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40°- 90°F. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.
CONTAINER DISPOSAL:
Do not reuse empty container. Dispose of empty container as required by municipal or local laws.

"It really works!" LIQUID FENCE

Rabbit Repellent

For Extreme Rabbit Problems

3 Easy steps to guaranteed protection from persistant rabbits!

Directions:

1 SHAKE WELL before each use!

2 Adjust nozzle for desired spray pattern.

3 Apply liberally to ornamental plants and their perimeter during a dry period.

Repeat process 1 week later and then approximately once per month thereafter. Areas where feeding pressure from rabbits is intense, spray **Liquid Fence® Dual Action Rabbit Repellent** once a week for 3 weeks and then approximately once per month thereafter. This will "train" the rabbits to avoid your yard! Please note: when using **Liquid Fence** you may notice an odor, however once it dries, the odor will not be noticeable to humans, but still very noticeable to animals.

How it works... Most rabbits can be repelled with scent alone. Because of the high volume of young rabbits and their voracious appetites, high density rabbit populations can be an extremely persistent problem. That's why we've developed a dual-action formula that repels with both scent and taste – a guaranteed-effective, one-two punch to fight extreme rabbit problems! Professional landscapers and commercial growers have already discovered... **Liquid Fence** stops rabbit damage, naturally!

Active Ingredients: Putrescent Whole Egg Solids 0.80%, Garlic 0.29%, Sodium Lauryl Sulfate 0.18%, Thyme Oil 0.15%, Potassium Sorbate 0.07%, Cinnamon Oil 0.03%
Other Ingredients: 98.48% (Water, Paprika, Xanthan Gum)

Eco Safe — Rain Resistant!

Fórmula avanzada de repelencia dual para problemas persistentes/alta población de conejos y conejos bebés difíciles de repeler. • Listo para usarse • Para jardines ornamentales de paisajismo, flores, arbustos, árboles y enredaderas • Ecológico: no daña las plantas ni los animales • Repele con el aroma y sabor • Poder residual y resistente a la lluvia • Cubre aproximadamente 500 pies cuadrados

INDICACIONES DE USO: 1. ¡AGÍTESE BIEN antes de cada uso! **2.** Ajuste la boquilla para el patrón de rociado deseado. **3.** Aplique abundantemente a las plantas y sus alrededores durante un período seco. Repita el proceso 1 semana después y a partir de entonces, aproximadamente una vez por mes. En áreas donde los conejos suelen comer mucho, rocíe Repelente para conejos de acción dual Liquid Fence una vez a la semana durante 3 semanas y a partir de entonces, aproximadamente una vez por mes. ¡Esto "entrenará" a los animales para no acercarse a su jardín! Por favor tome nota: Cuando use Liquid Fence usted notará un fuerte olor, sin embargo cuando éste se seque, el olor no será perceptible para humanos, pero sí muy perceptible para los animales.

MANTENGASE FUERA DEL ALCANCE DE LOS NIÑOS
INFORMACIÓN DE PRECAUCIÓN: Este producto puede ser dañino si se traga. Evite el contacto con los ojos. Si ocurre contacto con los ojos, lávelos inmediatamente con abundante agua. Busque atención médica si esto ocurre. **Almacenamiento Y Eliminación:** No contamine agua, comida ni alimentos al almacenar o eliminar el producto. **Almacenamiento:** Almacénese en su envase original, en un lugar fresco y seco e inaccesible para los niños y las mascotas. Protéjalo del calor y del congelamiento. Almacénelo entre 40°- 90°F. Mantenga los envases bien cerrados para evitar su evaporación. Si ocurre un derrame, dilúyalo con agua y lávelo para eliminarlo.
Eliminación del envase: No vuelva a usar envases vacíos. Deseche el envase según las leyes municipales o locales en su área.
